This table represents the average of the four capstone questions (13, 24, 39 and 49).

NOTE: The student satisfaction survey process applies to all apprentices enrolled in full-time and 50 per cent of part-time classes at colleges. College-to-college comparisons (ranking) could produce misleading results, because of college size, local employment conditions, program mix and apprentice demographics. The results from each college should be considered on their own.
